

# The Society of St. Vincent de Paul Presents **The Texas 2-Step!**

A unique opportunity for your parish to give to those in need by  
“Stepping Out” of the old and into the new!

Parishioners are asked to donate their good condition *gently used* shoes to the Society of St. Vincent de Paul for distribution to those in need.

**2-Stepping is easy – just follow our lead:**

**Step 1** Parish chooses a date for 2-Step Sunday & contacts SVdP to schedule truck

**Step 2** Parishioners are asked to wear the shoes they will donate to Mass and bring a new pair for themselves to wear home

**Step 3** Before or after the closing of Mass, parishioners are asked to “Step Out” of their old shoes and into their new! – Pastor is asked to bless the new shoes and feet of the parishioners for a renewed journey with Christ

**Step 4** Leave the gently used shoes behind in collection containers at doors to be given to SVdP for someone in need
